FF 10460 VARIABLE GEOMETRY TURBOSUPERCHARGER (on base) - manual

FF 10460

Very detailed cutaway item, with clearly visible moving blade assembly.

The operation of the variable geometry system is clearly displayed.

These cutaway models are carefully sectioned for training purposes, professionally painted with different colours to better differentiate the various parts, cross-sections, lubricating circuits. Many parts have been chromium, plated and galvanized for a longer life.
